Description of the event:

The Multiplier Event took place in Warsaw on the 28th of February and was hosted by Społeczna Akademia Nauk (SAN). The event gathered 40 participants, including both women and men, who engaged in several hours of presentations and interactive sessions related to the MOVE & ACT project.

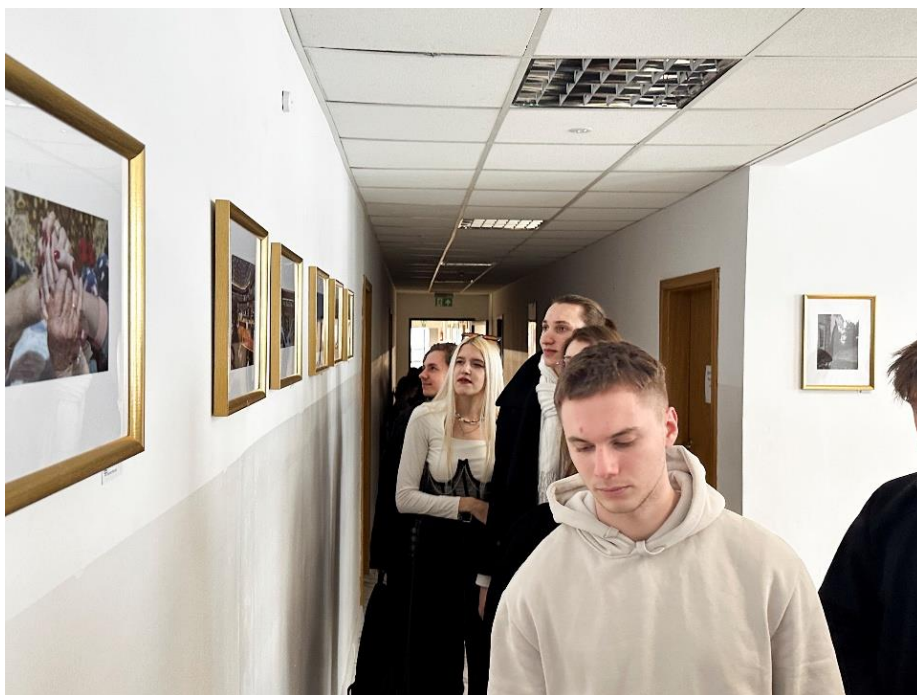

During the event, attendees were introduced to the key results developed within the MOVE & ACT project. The MOVE & ACT Training Programme was presented as a structured training initiative designed to support participants in achieving the project's objectives. Another highlight was the MOVE & ACT Digital Hub, a dedicated digital platform providing various resources and interactive tools for users. In addition, the MOVE & ACT Online PhotoVoice competition and exhibition was presented, showcasing the winning entries in the competition organized by the partnership.

Furthermore, participants visited the project's official website and expressed appreciation for its design, noting its user-friendly interface and well-structured layout.

The pinnacle of the event was the PhotoVoice Exhibition, where participants had the opportunity to explore various artistic creations. This exhibition served as a unique platform for artistic and social expression, allowing attendees to engage deeply with the visual narratives presented.

The event successfully disseminated the results of the MOVE & ACT project to a diverse audience, fostering engagement and interaction among participants. The combination of informative presentations, interactive discussions, and artistic exhibitions created an enriching experience for all attendees.
