Final Transnational project meeting in Poland

On February 7, 2025, the final transnational meeting of the Move&Act project was held in Warsaw, Poland. This event marked an important milestone, bringing together all project partners to reflect on the achievements and plan the final steps of the initiative.

During the meeting, partners reviewed all project activities carried out so far, including partner meetings, developed results, dissemination strategy, and quality assurance actions. Special attention was given to the organization of dissemination events in each partner country, where all Move&Act PhotoVoice Contest submissions will be showcased. 🏆

The consortium also focused on the final promotional activities and the sustainability of the project's outcomes. Discussions covered long-term impact strategies and how the developed materials and methodologies can be used beyond the project's duration.
